

Benchwork Spine

Benchwork Spine system integrates desking and storage to create a highly efficient workstation solution. The central spine provides a structural core for shared storage and integrated cable management.

- Integrates desking modules with a central storage spine
- Fully welded 60mm x 30mm tubular steel leg frame
- Frame available in white, black, or silver powder-coat finish
- Bifacial storage units allow access from both sides
- Integrated power and data channel runs the length of the spine
- 25mm thick worktops
- Made in Australia

Warranty	10 Years (Commercial Use)
