

Casali Reception Counter is a premium, architectural solution for creating an impactful first impression. Its signature curved facade, detailed with vertical Steccawood paneling, provides a sophisticated centrepiece for any lobby.

- Curved design with 31mm Steccawood paneling
- Available in a wide variety of Steccawood finishes
- Transaction top available in melamine or premium compact laminate
- Available as freestanding, wall-backed, or low counter modules
- Add matching backing to steccawood or choose between standard black or white backing
- Internal panels available in a range of melamine finishes
- Levelling adjustment in feet
