

Elki workstation system brings a natural warmth to the workplace with its solid ash timber legs. This is paired with a durable aluminium frame to create a robust and contemporary desking solution.

- Solid ash timber legs with an aluminium framework construction
- Legs available in natural, black stain, or white stain wood
- Frame available in a black or white powder-coat finish
- Integrated cable management tray and inset power blade included
- 25mm levelling adjustment in foot
- 25mm thick worktop with rounded external corners
- Worktops made in Australia

Warranty 10 Years (Commercial Use)
