

Elki Spine system integrates desking and storage to create a highly efficient workstation solution. The central spine provides a structural core for shared storage and is complemented by solid ash timber legs.

- Integrates desking modules with a central storage spine
- Solid ash timber legs with an aluminium framework
- Legs available in natural, black stain, or white stain wood
- Bifacial storage units allow access from both sides
- Integrated power channel and cable management tray included
- 25mm thick worktops with rounded external corners
- Made in Australia

Warranty

10 Years (Commercial Use)
