

KX is a modular steel shelving system designed for creating custom storage and display walls. Its minimalist tubular frame and range of accessories make it a functional addition to any commercial space.

- Modular steel shelving system based on starter and extension units
- Black powder-coated steel tubular frame
- Available in low (850H) and tall (1630H) units
- Standard units include full-width shelves
- Optional accessories include half-shelves, overlay trays, and recessed trays

Warranty

5 Years (Commercial Use)
