

Keywork system is a leg-based workstation designed for durability and a clean aesthetic in modern workplaces. Its heavy-duty, fully welded steel frame provides exceptional strength for any office configuration.

- Fully welded 100mm x 50mm tubular steel frame
- Frame available in a black or white powder-coat finish
- Integrated cable management system with an inset power blade
- 25mm levelling adjustment in foot
- Available in standard, 900mm, and 1050mm height configurations
- 25mm thick worktops
- Worktops made in Australia

Warranty	10 Years (Commercial Use)
