

Trak Clamps and Brackets

Trak collection of brackets and clamps provides a range of options for adding privacy screens to any workspace. These components allow for the simple, non-permanent installation of screens to desks, existing panels, and other flat surfaces.

- A system of three mounting options: free-standing, desk-edge clamp, and screen-top clamp
- Constructed from heavy-duty aluminium
- Available in a black or white powder-coat finish
- Designed for use with Trak Perspex, acoustic, or fabric panels
- Allows for non-permanent, drill-free installation of screens
