

Vast system is a panel-based workstation designed to create structured work zones with integrated privacy. Its post-and-panel construction is ideal for building workstation clusters in large, open-plan environments.

- Post and panel construction with 50mm thick anodised aluminium posts
- 20mm thick panels with an acoustic bottom section
- Top panel available in acoustic or glass options
- Constructed from recyclable aluminium and E0 board
- 25mm thick worktops
- Worktops made in Australia

Warranty 5 Years (Commercial Use)
