

Velo Spine system integrates desking and storage to create a highly efficient and refined workstation solution. The central spine provides a structural core for shared storage and is complemented by slimline polished aluminium legs.

- Integrates desking modules with a central storage spine
- Polished aluminium leg and framework construction
- Frame available in white, matte black, or polished aluminium
- Bifacial storage units allow access from both sides
- Integrated power channel and cable management tray included
- 25mm thick worktops
- Made in Australia

Warranty	10 Years (Commercial Use)
