

Swish is a height-adjustable desking collection that combines ergonomic movement with practical storage. It's available as a fully integrated spine system or as a height-adjustable desk.

- Electronic height adjustment from 630mm to 1280mm
- Superior dual-motor mechanism with ultra-quiet operation
- Available as a standalone desk or an integrated spine system
- Spine system features bifacial storage units and an integrated power channel
- Full cable management system provided
- Telescopic beams for added flexibility
- 25mm thick worktops
- Frame available in black or white
- Worktops made in Australia
- Load capacity: 120kg

Warranty 10 Years (Commercial Use)
